Dear Marta

PM 1326 Finland
Our File: 30775

Further to my letter of 1st June 1992 I am pleased to report that the Examiner finds the present claims acceptable.

I enclose a translation of a further action which merely requires that the specification should be adapted to the current claims which are also needed in Swedish.

I need not trouble you for detailed instructions but should be pleased if you would confirm that we should proceed.

Yours sincerely

J.H.Bass
